Model Specific Information

The upholstery on this model has intentionally been loosely applied to create a relaxed visual effect. This is not a quality defect but a model specific characteristic that guarantees optimum seating comfort.

Cushion Information

The seat and back cushions comprise of a high-quality mixture of polyester fibers and shredded foam. Depression of this filling can result over time with use, which is a typical product characteristic.

All measurements are approximate: width/depth/height/seat height.
Seat depth 23", arm height 24", arm width 11".
Line drawings are in 1/4" scale.
